About Us

- "The situation we faced in the year 2020, due to the pandemic and lockdown, forced us to rethink the way we promote our products and services. We encountered numerous barriers that hindered the reach and visibility of our business proposals."

Implement new markets.

Objective

1. Obstacle

- The pandemic forced mobility restrictions, affecting Argentina and the entire world. This prevented meetings, trips, offers, and everything related to global marketing from taking place.

2. Obstacle

- The pandemic enforced limitations in gathering , impacting both Argentina and the entire world. This resulted in the inability to conduct meetings, travel, promotions, and all global marketing-related activities.

Objectives

Objetive 1

"To support our team in acquiring new customers internationally with minimal expenses in promoting their products or services."

Objetive 02

"In an increasingly competitive world, it is essential to develop an effective marketing strategy that allows us to stand out from the crowd and attract more customers."

Strategy

Click views

Each of the packages will help you promote yourself internationally 24 hours a day, 365 days a year. This will not only assist in promoting your business but also recoup the cost of your purchase through the products you promote.

Earnings through referrals.

When you invite others to participate in the purchase of promotion packages, you will also receive 100% commissions.

Based on the package or packages you have already purchased, you will not only receive commissions from your direct invites but also from the invites of your invites through a generational bonus commission.

Payment of your commissions.

Payments will be automatic upon the purchase of the packages, so if any of your downline buys a package, you will automatically receive your commission, and you could cash it out on the same day.
